BENVENUTO A BORDO

Benvenuto nella grande famiglia dell'Outboard Marine; siamo lieti che lei abbia scelto un prodotto Outboard Marine.

Il suo motore fuoribordo è stato ideato e costruito per offrirle la massima utilità ed il miglior rendimento. La invitiamo pertanto a leggere attentamente le istruzioni contenute in questo manuale in modo da acquisire una perfetta conoscenza del funzionamento del motore e poterne sfruttare appieno le brillanti caratteristiche.

Il suo motore è stato fabbricato in base a rigorosi metodi di controllo della qualità ed è stato costruito per offrirle ore ed ore di sicuro servizio. E' sempre stata convinzione dell'Outboard Marine che la vendita non è una semplice transazione commerciale senza seguito tra il fabbricante e l'acquirente, ma che essa implica piuttosto un nuovo obbligo: l'impegno della Casa ad assistere il cliente nella migliore utilizzazione del suo prodotto.

Alla luce di questo criterio, abbiamo fatto del nostro meglio per aprire una stazione di assistenza tecnica nelle vicinanze di ogni acquirente.

IL COMANDANTE A BORDO E' LEI

Lei è legalmente responsabile per quanti si trovano a bordo. Insegni ad almeno uno dei passeggeri i principi elementari per manovrare un'imbarcazione, nel caso che non fosse momentaneamente in grado di provvedere lei stesso. Mostri a tutti dove si trova l'equipaggiamento di salvataggio ed insegni loro a servirsene. Rispetti le regole della navigazione.

SICUREZZA

LO SCOPO DEI SIMBOLI DI SICUREZZA E' DI ATTIRARE LA SUA ATTENZIONE SUGLI EVENTUALI PERICOLI. I SIMBOLI, E LA SPIEGAZIONE CHE LI ACCOMPAGNA, MERITANO LA SUA MIGLIORE ATTENZIONE E COMPRESIONE. UNA SEGNALEZIONE NON BASTA DI PER SE' SOLA AD ELIMINARE UN PERICOLO: L'ISTRUZIONE O L'AVVERTIMENTO CHE L'ACCOMPAGNA NON POTRA' MAI SOSTITUIRSI ALLE NORMALI REGOLE DI PREVENZIONE DEGLI INCIDENTI.

Simbolo Significato

AVVERTIMENTO DI PERICOLO: IL MANCATO RISPETTO DI UN AVVERTIMENTO DI PERICOLO PUO' ESSERE MOTIVO DI LESIONI PER LEI E PER GLI ALTRI.

NOTA: La avvisa dell'esistenza d'informazioni e d'istruzioni vitali per il buon uso e la buona conservazione del motore o della barca.

RICAMBI NON ORIGINALI

Usi esclusivamente parti di ricambio originali, le quali sono reperibili presso i concessionari autorizzati. Le avarie imputabili all'uso di parti non originali non sono coperte dalla garanzia.

NUMERO DI MODELLO E NUMERO DI SERIE

Il numero di modello e quello di serie sono impressi nella targhetta d'identificazione fissata alla staffa supporto (Pag. 4 e 5).

Numero di modello
Numero di serie
